

Volunteers needed to work in our Mentoring and Pastoral Support (MAPS) team!!

Our MAPS team go into primary schools in the Stevenage area to support and meet with children who are going through different kinds of emotional difficulty.

Do you.....

- Have a desire to work with primary school children?
- Want to support children who need someone to talk to?
- Have experience of working with vulnerable children?

Are you.....

- Motivated and committed?
- Able to work on your own initiative?
- Able to work on computers?
- Good at communicating with children and adults?

If you can answer **yes** to the above questions, we are having an open afternoon on Tuesday 17th April 2018, 12 – 3 pm. We will introduce you to the work of Bridge Builders and give you more information about what our MAPS service offers. We are providing a bread and soup lunch, so please phone or email maps@bridgebuilderstrust.org.uk to let us know if you are able to attend, and with any dietary requirements. For any other details please see our website.
